

MAINE ARCHERY ASSOCIATION

14 TARGET, ½ NFAA FIELD FORMAT

This description is specific to Lakeside Archery, Lakeside has an excellent field course that is both fun to shoot and challenging. All target stations are set up so that four shooters can shoot at the same time. This keeps everyone moving so other archers don't need to wait for their turn. Shoot organizers will ensure that new archers are paired up with experienced shooters who are familiar with the course.

Four arrows are shot at each target station.

Through the entire course archers shoot the same order.

Where applicable the bottom targets always shoot first.

When applicable; Archer 1 shoots bottom left, Archer 2 shoots bottom right, Archer 3 shoots top left, Archer 4 shoots top right.

The descriptions below are for the adult stakes. Youth and Cub are marked below description. Cubs shoot a maximum of 30 yards and Youth shoot a maximum of 50 yards

Target 1 – 15 yards - Walk Back (*The Water Fall*) (4) 35 cm faces

Two archers shoot the bottom targets, two arrows at each target, and two archers shoot their four arrows at the top two target faces.

Youth: 15 yards

Cub: 10 yards

Target 2 – 35-yard fan – Walk Through (1) 50 cm face

Each archer shoots one arrow from each shooting position. Position 1 = Archer 1, Position 2 = Archer 2, etc. After the archers shoot the first position everyone moves right to the next position and shoots their second arrow. If your first position is position 2 the second arrow is shot at position 3, etc.

Youth: 35 yards, Fan

Cub: 15 yards, Fan

Target 3 – 40 yards – Walk Through (*The Eagles Perch*) (1) 50 cm face

Each archer shoots all four arrows at the single target face.

Youth: 40 yards

Cub: 18 yards

Target 4 – 20 yards – Walk Back (4) 35 cm faces

Two archers shoot the bottom targets, two arrows at each target, and two archers shoot their four arrows at the top two target faces.

Youth: 20 yards
